

## HIS Wingspan®

Email: [thewingspans@gmail.com](mailto:thewingspans@gmail.com)

November 9, 2021

HIS Wingspan is a service organization that is raising **\$1,000** for the *Reach Beyond Your Limits™* award initiative. We hope to raise funds by November 30, 2021, for 32 Prince George's County Public High Schools. The primary focus is to award one student-athlete from each school, who has a disability but also reached beyond their limits to further their development in their sport. If the funds raised exceed the goal, the award distribution will be expanded to the middle school athletic programs in PGCPs.

### Donation

To make a donation, you may do so through GoFundMe at this link: <https://gofund.me/68fcfdc3>

Or, you may purchase an award directly through our website: <https://www.hiswingspan.com/product-page/recognition-award-1>

### Background

HIS Wingspan was inspired to create and distribute this award from the accomplishments with Xzavaier Hawkins. He is a graduate of Largo High School and is now in a post graduate program at Fork Union Military Academy, pursuing his academics and perfecting his basketball skills. He aspires to become a professional basketball player. Xzavaier's success is due to motivation and a team of people who worked hard to get him to his next steps, despite the limitations he had with his cognitive deficits. *HIS Wingspan would like to inspire and motivate the next student-athlete to continue to pursue their dreams and to have a little bit of hope doing it...because we all can reach beyond our limits!*

HIS Wingspan plans to sponsor the award for Largo High School, specifically.

### Criteria

There will be one recipient of the award, per school, this basketball season, if the student-athlete:

- (1) demonstrated great effort to further their athletic development, and
- (2\*) is on an IEP or 504 Plan.

\*In the event that there isn't a student-athlete who meets criteria number two, but overcame a challenge during the basketball season, and met criteria one, the award may be given.

### Additional Information

If your donation is at least \$22 and you have a school preference for the award to go to, please email us at:
